General Renewal Information

Dentists, who do not renew their license before the expiration date, **may not** practice until your license is brought into a current status. You may begin practicing again after you have received your registration certificate and display it where services are provided.

Dentist Penalties Texas Occupations Code, Section 257.002 states that a person whose license has been expired may not engage in activities that require a license until the license has been renewed. A person whose license has been expired for less than 90 days may renew the license by paying a renewal fee that is equal to 1-1/2 times the normally required renewal fee. A license that has been expired for more than 90 days but less than one year may be renewed by paying a renewal fee that is two times the normally required renewal fee. A license that has been expired for one year or more may not be renewed. No exceptions will be made to this provision.

CPR Requirement: Section 257.004 of the Texas Occupations Code requires that all licensed dentists, dental hygienists, and registered dental assistants sign a written statement that the applicant has successfully completed a current course/program in CPR, or holds a physician's verification that the applicant is physically unable to complete CPR, or applicant resides in a foreign country. CPR training must include a written assessment and a demonstration of skills. Computer and video-based CPR training courses given by an instructor that include training on a hands-on practice manikin by the applicant and a written assessment of skills, either taken online or in a classroom setting, are acceptable. Online courses that do not include a live instructor for a demonstration of skills and training on a practice manikin by the applicant are not acceptable.

Jurisprudence Assessment: The Jurisprudence Assessment is required once every 3 years. If you need assistance in finding the date of your last assessment please visit: <https://txn.esslearning.com/catalogs/tsbde/>. To purchase the SBDE Jurisprudence Assessment visit: www.tsbde.state.texas.gov/Jurisprudence

Continuing Education

All Texas licensees holding an active license to practice in Texas must annually collect a minimum of 12 hours of appropriate Continuing Education (CE), as required by the Texas Occupations Code and the SBDE Rules and Regulations at Chapter 104.

The following conditions and restrictions shall apply to coursework submitted for renewal purposes:

- At least 8 hours of coursework must be either technical or scientific as related to clinical care. The terms "technical" and "scientific" as applied to CE shall mean that courses have significant intellectual or practical content and are designed to directly enhance the practitioner's knowledge and skill in providing clinical care to the individual patient.
- Up to 4 hours of coursework may be in risk-management courses. Acceptable "risk management" courses include courses in risk management, record-keeping, and ethics.
- Up to 6 hours of coursework may be self-study. These self-study hours must be provided by those entities cited in SBDE Rule 104.2 of this title (relating to Providers). Examples of self-study courses include correspondence courses, video courses, audio courses, and reading courses.
- Hours of coursework in the standards of the OSHA or in CPR may not be considered in the 12-hour requirement.
- Hours of coursework in practice finance may not be considered in the 12-hour requirement.

CE Exemption for the First Registration Period: Dentists in their first registration period are exempt from completing CE

Anesthesia - Continuing Education In conjunction with the annual renewal of a dental license, a dentist seeking to renew a minimal sedation, moderate sedation or deep sedation/general anesthesia permit must complete the following hours of CE every two years on the administration of or medical emergencies associated with the highest permitted level of sedation. CE shall be in addition to any additional courses required for licensure. ACLS and PALS course may not be used to fulfill CE requirements for renewal of an anesthesia permit. CE Hours Required: Level 1: 6 hours; Level 2 and Level 3: 8 hours; Level 4: 12 hours. Dentists will be required to provide proof of completed anesthesia CE upon request of the Board.

CE Audits: TSBDE audits approximately 5% of the selected renewal population 60 days before the license is due to expire. If you have been selected for an audit, you will not be able to renew your license until you have complied and the audit has been approved by TSBDE staff. Late fees will accrue if you cannot provide the required approved documentation, prior to your expiration date.

Student Loan Default: Dentists in default of student loans will not be allowed to renew a license until a repayment agreement has been approved by the Texas Guaranteed Student Loan Corporation or Texas Higher Education Coordinating Board and notification has been received by the Board.

Child Support Default: Dentists in default of paying child support will not be allowed to renew a license until a repayment agreement has been approved by the Texas Attorney General, Office of Child Support and notification has been received by the Board.

Licensure Retirement: Dentists requesting their license be retired are required to submit a Retirement Request Form **PRIOR** to the expiration of their license. A request for licensure retirement is subject to the license being current and in good standing with no open investigations or active board orders in effect at the time of request. Once the retirement is granted, annual licensure fees and continuing education requirements are waived for the period the license is in retirement. Dentists seeking licensure retirement must also surrender drug prescribing privileges to the Department of Public Safety. Reactivation of a retired license must be requested in writing and in compliance with SBDE Rule 101.7 which is available for review on the SBDE website.
